

Nintendo DS Price Guide

September 2026 Edition

Current estimated market values for 1,887 Nintendo DS games.

Prices shown for Loose, Complete, and New condition.

Updated September 5, 2026 · nerdyscore.com

About these prices

NerdyScore prices are estimates of current market value based on observed marketplace activity. Prices are updated as new market data becomes available and may change over time. A dash means there isn't enough reliable market data to confidently estimate a value.

Loose = game only · Complete = game, box & manual · New = sealed
